TODAY'S TEACHING TWEET

@ JohnSmith

Finally figured out the difference between similes and metaphors! It was as easy as pie - but for some reason I just couldn't get it before.

ComparisonClarity

Something I learned today...
I didn't know...
A question I still have is...

Hashtags (#) are used on Twitter to categorize the Tweet. This means that the # should have something to do with what the student writes. It also should have no spaces
